I am writing on to protest this outrageous rate increase. As a healthcare worker during a pandemic, I have worked for this community relentlessly in our greatest time of need. Dominion, however, responded to the pandemic by robbing us all blind for their own losses. Enough is enough. During a time of incredible inflation everywhere, the least you could provide is power to our homes at a rate that makes sense, not a rate that further pads Dominions pockets. Honestly, I'm not sure how they sleep at night knowing soon we will all be powerless because there is simply no way anyone can afford these insane increases. But I'm sure they sleep with their ac/heat set at whatever they please, and their lights on throughout the house. Meanwhile our children are going to sleep cold because we cannot afford to increase our already sky high bills. Dominion made empty, false promises to the people of this community when they took over and it's time they start standing by their word. Do not approve this increase. Do not let our community down AGAIN.

Dear Caroline Dixon,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2022-52-E - Dominion Energy South Carolina, Incorporated's 2022 Annual Update on Demand Side Management Programs and Petition to Updated Rider (*This Filing Includes a Request for a Rate Increase*)

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscription at this link: <https://dms.psc.sc.gov/Web/Email>; or you can specifically follow Docket No. 2022-52-E at this link: <https://dms.psc.sc.gov/Web/Dockets/Detail/118088>

If we may be of further assistance to you, please do not hesitate to contact us.

Sincerely,
Becky Latimer
